The construction of a dam in Jamieson Creek, an affluent of the North Thompson River, in the District of Yale, about one and one-half miles from the said river; the construction of a main canal approximating eighteen miles in length from such dam along the valleys of the North Thompson and Thompson Rivers, at a fall of one hundred and sixty-one feet from the intake to the point of discharge; the construction of certain lateral ditches with a view to the irrigation of the lands along the route of the canal in the district within which the Company propose to operate; the acquisition of seven thousand acres, more or less, and their division into small holdings to induce settlement and the cultivation of such fruits, vegetables and crops as can be profitably produced.

The amount of unrecorded water applied for by the Company is one thousand four hundred inches, to be taken from Jamieson Creek, flowing into the North Thompson River on the west side thereof, about twelve miles north of the City of Kamloops. That for general irrigation purposes the Company will also acquire with the aforesaid lands three hundred inches of water from Bonnard Creek, and two hundred inches of water from Dry Creek.

CIRCULAR.

DOWNING STREET,

31st October, 1902.

SIR,—I have the honour to inform you that I have learnt from the Foreign Office that His Majesty's Chargé d' Affaires at Rome has reported that applications are being received at the British Embassy from various British Colonial subjects, arriving in Italy for purposes of study, who having left their Colony in ignorance of the new regulations with regard to entry without payment to the national museums, galleries, excavations and monuments of Italy, are not furnished with the necessary academic document upon which free passes are granted.

2. I transmit, therefore, for your information and for such publication as may be considered desirable, a copy of a notice recently issued from the Foreign Office giving the substance of the law passed in April last in so far as it affects foreigners coming to Italy for purposes of study.

I have the honour to be, Sir,

Your most obedient, humble servant,

J. CHAMBERLAIN.

The Officer Administering
the Government of Canada.

Enclosure to Circular dated 1st November, 1902.

His Majesty's Chargé d' Affaires at Rome has sent to the Foreign Office the law regulating entry, without payment of the ordinary fee, to the national museums, galleries, excavations and monuments of Italy, which has been approved by the Royal Decree of the 13th April, 1902.

The privilege of free entry is by the law accorded to foreigners who are—

(a.) Artists.

(b.) Art students and art critics who have issued noteworthy publications.

(c.) Professors of archaeology, history, literature and art.

(d.) Pupils of archaeological, historical and art institutions; students in the departments of literature and philosophy, and in schools of practical engineering.

Applications for a general permit for free entry to all museums, &c., must be sent to the Ministry of Public Instruction on stamped paper of 1 lira 20 c., with an unmounted photograph (of the applicant) not to exceed 5 centim. by 8 in size.

Applications for free entry to archaeological and artistic institutes in a single town must be sent on stamped paper of 60 centimes to one of the heads of the institutes; and if the permit is required for more than a month, a photograph must be sent of the size mentioned in the preceding paragraph.

The applications must be accompanied by the following documents:—

For persons under (a) and (c), by an academical document *visé* by the Italian Diplomatic Representative or Consul in the country to which the applicant belongs, or by the Diplomatic Representative of that country in Italy.

For persons under (b), by one of the publications which they have published.

For persons under (d), by an official document showing that they stand on the books of the institutions, mentioned under that heading, for the year in which they apply. The document must be *visé* as in the case of the documents furnished by persons under (a) and (c).

As His Majesty's Diplomatic Representative at Rome is not always in a position to authenticate without previous inquiry documents issued by institutions in the United Kingdom, art students, &c., are recommended to have such documents countersigned by the Italian Consular officers in this country before leaving.

Foreign Office, June 17th, 1902.

PERMITS TO ENTER THE TRANSVAAL OR ORANGE RIVER COLONY.

CIRCULAR.

DOWNING STREET,
22nd October, 1902.

With reference to my circular despatch of 2nd December, 1901, I have the honour to inform you that, owing to the abolition of martial law in the Cape Colony and Natal, persons wishing to land in those Colonies are no longer required to be provided with permits.

2. Permits are, however, still required for the present for persons wishing to proceed to the Transvaal or Orange River Colony. I have to request, therefore, that you will give instructions that the form of permit issued shall in future be headed "Permit to proceed to the Transvaal or Orange River Colony," and that in the note at the end of the form the words "must be produced at the request of the authorities on arrival at any port in South Africa" shall be omitted, and the following clause added at the end of the note:—

"It must be clearly understood that this permit will not be valid unless endorsed by the representative of the Transvaal or Orange River Colony at the port of disembarkation."

It is understood that the Transvaal and Orange River Colony representatives at the Cape ports and at Durban will in all ordinary cases take the signature of the officer issuing a permit as a sufficient guarantee for its endorsement, but that they will be able to suspend or to refuse such endorsement in special cases, should there be good grounds for doing so.

I have the honour to be, Sir,
Your most obedient, humble servant,

J. CHAMBERLAIN.

PERMITS TO ENTER THE TRANSVAAL OR ORANGE RIVER COLONY.

PUBLIC NOTICE is hereby given that henceforth permits to enter the Transvaal or Orange River Colony will be issued only at South African ports. Persons wishing to proceed to those Colonies should, therefore, apply for permits to the Permit Office at the

port at which they propose to land. Such permits may be refused, and in order to avoid disappointment and delay it is suggested that persons about to proceed thither should ascertain, before sailing for South Africa, from the Permit Office at the port of landing whether permits will be granted to them. Under the Peace Preservation Order now in force in the Transvaal and Orange River Colony, persons entering those Colonies without permits may be ordered to leave, and if such order is not obeyed within a certain time, they are liable to fine and imprisonment.

Under-Secretary of State.
